

Dorier, member of the «Congress Rental Network»

Dorier is part of the Congress Rental Network (CRN), an international network of quality businesses that propose the latest technologies for equipping conferences with:

- Bosch simultaneous interpretation
- electronic voting
- Bosch conference microphones
- sound and lighting
- screens and projections

This network, active in 35 countries around the world, held its annual conference in Villars, Switzerland, over 3 days last January, warmly welcomed by Dorier.
